WELCOME

We are Little Inventors Montessori Nurseries. Our mission is to transform the lives of the children and families we work with, through creating a nursery which feels like home with an extended and supportive family environment.

WHAT IS LITTLE INVENTORS?

At Little Inventors Montessori Nurseries, we believe that every day is a learning day and that learning is all around us. As well as being a place of learning, we pride ourselves on ensuring that all children are coming in to a loving, caring environment where they are valued and listened to. We also involve children and parents in trying to continually improve.

We have a clear understanding of our important values;

- Happiness and wellbeing
- Engagement
- Respect
- Communication
- Achievement
- Integrity
- Partnership and care
- Challenging
- Commitment to excellence

OUR VISION

Positive, caring relationships based on trust and respect, are at the heart of our philosophy. We have a clear vision of what we want to achieve at Little Inventors Montessori Nurseries and Pre-schools.

To provide a safe, happy, caring, secure and stimulating environment for all the children

To enable all children to develop their capabilities as successful learners and confident individuals.

To help all children to prepare for the future.

TESTIMONIALS

Nursery is excellent! My son has been going to this nursery since he was 11 months old, now he is 3 years of age. I am very happy with the nursery and the way they are taking care of my son. Because of the staff, me and my wife are able to do our jobs without any worries about our son. We know that he is in good and safe hands.

The staff are very friendly, my daughter is very happy and learning new activities every day. The nursery is very clean and has an excellent management team. I would be extremely likely to recommend Acton Day Nursery & Preschool.

My daughter is well looked after and enjoys her time at nursery. Staff are very co-operative and supportive. Good service and good staff! My daughter requires extra support and they are keen to support my daughter in every way to develop herself further.
